### REACH

The *REACH* team continues to put their focus into local community transformation outreach efforts as well as extending its effectiveness into the international missions field. Our after-school program, The Hangout, is growing in its vision of providing excellent after-school programming which provides children with the life-skills they need to thrive. The Open Door continues to provide hope through nutritious meals, crises relief, and a positive environment for our neighbors in Haywood County. Our team is also looking for individuals who might be interested in exploring an adult international mission trip opportunity.

If you are interested in learning more and becoming involved in any of these areas, please contact Tom Owens at [Tom.Owens@LongsChapel.com](mailto:Tom.Owens@LongsChapel.com)

### GROW

This spring we are offering some brand new GROW courses based on engaging biblical topics. If you have not plugged into a group yet, this season would be a great time! The Trail Guide Early Spring 2020 will be available Sunday, January 26. Be sure to pick up a copy to check out where/when small groups and Sunday school classes are happening, especially in conjunction with the new worship schedule that begins on February 2.

If you ever want to lead a Bible/book study, contact Tom Owens at [Tom.Owens@LongsChapel.com](mailto:Tom.Owens@LongsChapel.com). We are always looking for new leaders in our GROW ministries, and also want to offer more LIFE groups in 2020. A LIFE group is a group of friends (new and existing) who consistently get together with a purpose and are intentional about having spiritual conversations and following Christ. LIFE groups are one way that we can "do life together". What if everyone in our church was connected to a GROW or LIFE group they could disciple with, fellowship with, connect with, and lean on? How incredible would that be?!

### SERVE

There are numerous ways to *SERVE* at Long's Chapel. If you'd like to get plugged into volunteering, please email [Serve@LongsChapel.com](mailto:Serve@LongsChapel.com)

**Serve the Crew** - we are wanting to serve lunch to the construction team working on our **Imagine...** building project on a monthly basis to express our many thanks for their hard work. If you would like to sponsor a date and coordinate a team of volunteers to cook for them, please email [Communications@LongsChapel.com](mailto:Communications@LongsChapel.com).
